Multi-surface detergent wipes

Think about cross contamination prevention. Adopt single use wipes in your daily cleaning practice.

AZODET™

Strong and durable yet gentle on surfaces, AZODET™ detergent wipes are ideal for 'damp dusting' and everyday cleaning, removing organic soil, dust and grease from a variety of surfaces. The unique AZODET™ formula has been developed in conjunction with a quality wipe material to create a potent cleaning solution.

Great alternative to cleaning with soap and water

- > No mixing and measuring required
- > Saves valuable time in preparing solution
- > Saves water and storage space

For a complete cleaning and disinfection solution use in conjunction with a disinfectant wipe – AZOWIPE™ or AZOACTIVE™.

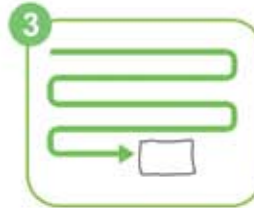

Instructions for use

Remove wipe from the pouch and close seal to prevent drying out.

If using a bucket, remove wipe from the bucket and close the lid.

Wipe over the surface to be cleaned, working from clean to dirty. Do not go over the same area twice with the same wipe. Leave the surface to dry.

Once used, discard the wipe into appropriate waste container.

Do not mix with any other chemicals.
Do not use one wipe on more than one piece of equipment.
