Proudly Distributes Passy Muir Products In New Zealand

Passy Muir's International Distribution Team works with local distributors to deliver the highest quality tracheostomy speaking and swallowing valve products in the world. Passy Muir believes that local distributors who offer their own expertise can be invaluable to care providers and patients. We are proud to offer our products in New Zealand through WM Bamford & Co.

Download the new TRACHTOOLS™ communication app,
FREE for a limited time at the App Store or Google Play.
