

# Zefon Arterial Anchor Bandage

- Clear-Vue Dome accommodates cannulas and pressure lines with longer hubs as well as arterial catheters with "wing sets"
- Small Dome footprint provides excellent fit on patients with both larger and smaller wrists/arms
- Stronger adhesive bandage holds longer, but won't harm or irritate the patient's skin

# Zefon Arterial Anchor Bandage

Secures Arterial Lines in  
One **Simple, Sterile  
& Suture-Free**  
Procedure.

# Zefon Arterial Anchor Bandage

Unlike conventional tape & gauze securement techniques, the *Zefon* Arterial Anchor Bandage, with its **Clear-Vue Dome**, protects the catheter entry point from direct trauma and provides for continual observation of the site, **allowing for quicker detection and correction of potential problems.**

The **E-Z Lok Channel** safely secures the catheter in a proper fixed position and eliminates the need for suturing, thus **reducing the risk of infection and improving patient comfort.**
