

GIPSAN[®]

**Trauma Slab
Available**

Plaster Of Paris Bandage

GIPSAN Offers:

- ❖ Excellent Setting and Forming Times!
- ❖ Consistent Quality and Reliability!
- ❖ Reduced Plaster Loss in Application!
- ❖ Extra Length Roll!
- ❖ **Best Value for Money!**

Gipsan is made of high quality plaster and supporting gauze. The **Gipsan** plaster combines traditional application techniques with minimal plaster loss, faster drying times and improved strength and durability.

Gipsan is recommended for all kinds of immobilization of single parts of the body. **Gipsan** plaster enables quick and qualitative treatment of injuries.
