Tissue Expanders

T I S S U E E X P A N D E R S

ACCUSPAN® & INTEGRA®

PMT Tissue Expanders are designed with special features for the head, neck and extremities.

Benefits...

- Lowest possible profile for ease of insertion and placement.
- Multistage expanders provide additional nominal expansion in areas with limited expandable tissue.
- Smooth or Enhanced™ surface to best meet your needs.
- Unmatched custom capabilities for special cases.
- Variety of port choices for your special needs.
- Largest variety of shapes and sizes available.
